## MCMC Comes Up Big For Local Charities

Nearly 80 cars from around the greater Gulf South participated in the latest edition of the Fall Celebration Open MCMC show. That it was a great day with great cars isn't the big news. That we did our part to improve the lives of many, many others is reason for celebration.

The show, held at Edgewater Mall in Biloxi, drew 77 registered vehicles, vendors and hundreds of spectators.

By a vote of club membership at a previous meeting, all proceeds from the event were donated to the Combat Wounded Veterans of So. Mississippi. A food drive also collected goods for donation to Feed My Sheep. All totaled, more than \$1,500 was donated to the newly forming foundation. We sincerely hope this allows them to get a running start. More than 120 pounds of food was collected and donated to Feed My Sheep, which is experiencing an increase in demand for services and a decrease in donations.

Awards were given to the top 35 vehicles with 5 specialty trophies being handed out. Here's some of the fine cars and fun we had!
